In this case, the Court was previously notified on April 28, 2005 requesting that Mr. Spradlin's conditions be modified for him to participate in a long-term residential program for substance abuse because of his use of drugs. He had also been charged with Driving under the Influence; however, this case was dismissed. Since Mr. Spradlin's successful completion of treatment on January 13, 2006, he had been compliant. He had been participating in Alcoholics Anonymous/Narcotics Anonymous (AA/NA) meetings on a weekly basis. All urinalysis had also been negative, and it appeared that he was doing well.

While driving the vehicle, Mr. Spradlin was involved in a car accident causing serious injury to Ms. Wagers.
